JavaScript

jQuery

mySQL

Sequelize

Mongoose

RESTful APIs

Jest

HTML5

CSS

Bootstrap

Material UI

Progressive Web Applications

Agile Methodology

Kanban

GitHub

## WORK EXPERIENCE

### **K12, Texas — *Teacher***

FEBRUARY 2021 - AUGUST 2021

- Virtually taught 18 kindergartners who were not offered a virtual option through their local school district during Covid-19, after a condensed onboarding process that required quick learning.
- Flexibility and effective communication needed daily to advise students and parents who were frustrated with virtual learning and technical difficulties.
- Collaborated and analyzed weekly data with 12 teammates to better target students' needs.
- Utilized Newrow Smart Virtual Classroom as platform for online classes.
- Advocated at a state government level for the continuation of virtual learning for the 90% of students who registered for the fall semester.

### **Wesley Prep, Dallas, TX — *Teacher***

AUGUST 2018 - JULY 2020

- Implemented social-emotional teaching techniques for emergent speakers, referring two students to speech-therapy.

### **Plano Independent School District, Plano, TX — *Teacher***

AUGUST 2012 - JULY 2017

- Effectively oversaw a team of 5 first grade teachers to implement best-practices, refer to student data, and produce a minimum of 90% on-target rate in each class.
- Delegated team duties and relayed information from weekly administrative meetings quickly.
- Consistently communicated with administration and parents to advocate for students' 100% promotion rate.
- Always remained flexible to the needs of students - class sizes ranged from 20-25 students.
